

For our Digital Solutions & Services team at our HQ in Eching near Munich we are looking for

FULL STACK SOFTWARE DEVELOPER (M/F/D)

YOUR TASKS:

As part of a small team, you will develop in close cooperation with product management and technical sales the digital products and services of NOVEXX Solutions in the field of product labelling.

You will focus on:

- Design and development of software within customer-specific projects.
- Support of the development of our new software solution
- Responsibility for the entire software development cycle from concept to deployment.
- Transforming software requirements into qualitative and stable code on front- & back-end
- Testing the software and writing effective APIs
- Achieve customer satisfaction through 3rd level support for existing customer base

WHAT DO WE EXPECT FROM YOU?

- Several years of working experience in a similar role.
- Experience and knowledge in following areas :
 - .Net framework (.Net Core, .Net, mainly C#)
 - any other programming languages e.g. Java is a plus
 - design patterns and .net unit testing framework
 - front-end development (HTML, Javascript, CSS)
 - PostgreSQL and/or MSSQL
 - GIT or SVN
- Focus on desktop applications: mobile and web applications knowhow is a plus
- Experience in working in Agile development environments
- Interest or experience with IoT, Cloud & Cloud Provider (Azure, AWS, Google Cloud, etc.) or BigData would be a plus

You are a team player and you use your excellent communication skills in German and English in a global team serving international customers. You will be successful if you are able to convince through pragmatism, flexibility and effectiveness.

WE OFFER:

- You will be part of a committed team in an international environment
- The chance to contribute to future digital solutions of NOVEXX Solutions
- Small team, flat hierarchies, start-up atmosphere,
- Permanent full-time position and flexible working hours

If you are interested in working with us, please apply in English to Bewerbung@novexx.com. If you have any questions, please don't hesitate to call Regina Münzer +49 8165/925-194
